

ALLEGIANT

PRIVATE ADVISORS

Cameron Dees
Research Analyst

Cameron Dees joined Allegiant Private Advisors in 2018. He is responsible for performing research on existing client holdings as well as investments that are candidates for inclusion in client portfolios. Cameron is currently a level III candidate in the Chartered Financial Analyst® program. Prior to joining the firm, Cameron held several professional positions in a client-facing banking environment and in an analytical support capacity. Cameron graduated with a B.S in Finance from Marshall University where he also earned his MBA.
